Farook Training College has conducted a four-day bridge course for first-year B. Ed and M. Ed students from 07/10/2022 to 12/10/2022. The objective of the bridge course was to enable the students to be teacher educators and to introduce the features of the BEd course to them. Principal Dr. T Muhammad Saleem inaugurated the program, and he addressed students with an inspiring speech. On the first day, we began the session with Farook Geeth. ### Day-2 (10/10/2022)

The second day's bridge course began with Nowfal sir's session on "The Art and Heart of Teaching". The central theme of his session was "Teaching is an art and teacher is an artist". None of our educational institutions focus ever on moulding up a great human being, but he enforced the fact that no one will ever become a great teacher unless he is a better human. He expanded his ideas through striking events

in his life and he never failed to entertain his listeners with songs, stories and other activities. The main points in his class revolves around the truth that none of us are promoted to do the things which an ordinary kid can't bear. We swayed along with him and stretched both our minds and bodies to reach the level of a kid. His explanation of various incidents were heart touching, which was an inspiration for many of us to love this profession. All of his points were crystal clear and we cannot thank him enough for such an amazing session.

Campus walk conducted by FTC helped us to know more about our campus surroundings. We were enlightened about the history of this prestigious campus by Afeef sir, Farooq sir and Nowfal sir. Apart from that we saw various sister institutions of Farook Management. As a part of campus walk, we could see the resting place of the eminent scholar Abussabah, the founder of Farook college, and also the home he lived. Afeef sir shared his funny personal experiences inside the campus, which made the session more interesting.

### Day-3 (11/10/2022)

The first session on Teacher Behaviour by Shareef Sir was an eye-opener. Mr. Shareef sir handled the session brilliantly with his admirable witty nature. We were thinking and laughing simultaneously all the time. The main slogan put forward by the speaker was "Teaching is an art & Teacher is an artist". He reminded us about the importance and impact of each and every word of a teacher through different stories. He also mentioned his life story of transformation from a very negative

person to a thankful and thoughtful Teacher. The session which aimed at inculcating good values, patience, empathy and the like in our young teacher minds was completely successful by all aspects.

Second session was an awareness class against the usage of drugs. The session was held by Jayarajan Sir, Sub Inspector, Nadakkavu Police Station. He shared some of his very relevant experiences. The most saddening fact we realized is that the drug mafia has succeeded in influencing even our primary student community upto a certain level. The influence of drugs is evidently visible in most of the cruel incidents which startled human conscience. He concluded his talk by introducing the governmental systems to prevent drug abuse. Students got opportunities to clear their doubts and also to share their relevant experiences. The significant importance of creating awareness against drug abuse was clearly underlined by this infusing session.

Third Session was conducted by Salahudeen MP, Radio artist and former Media one programmer. This session was titled 'Tuning our tone' . He beautifully explained different methods to improve our Guruvani radio programme. He said that everyone's sound is beautiful with microphone. We also realized that writing a programme script is an integral part of preparation. This session was highly inspirational.
