#### Report

#### FTCIA DPLP- Coursera (Digital Public Learning Platform) 12<sup>th</sup> May 2020 – 1<sup>st</sup> December 2020

Online learning platform gained new momentum due to the lockdown scenario all over the world. Massive online open learning facilities are widely utilised by not only academia but ordinary people also. In this context under Farook Training College Innovative Academia (FTCIA) explored the scope of massive learning and the task assigned to one of our team consisting of Dr. Aseel Abdul Wahid, Course Administrator, Mr. Mohamed Shareef, Mrs. Irshana Shahnaz and Mr.Fasalul Abid, Course Coordinators. After their systematic discussion and dedicated work, FTC successfully affiliated with "Coursera," free of cost. Hence after the discussion, the expert group finalised the project title as: FTCIA DPLP (Digital Public Learning Platform)

Once again the wonderful combination of expertises blended together for FTC resulted in another achievement. Now, the DPLP platform has nearly 3911 learners across the globe led by 20 Wattsapp groups under the administration of the FTC team. Learners have benefited from this by having completed nearly 20000 courses from International Universities. The program is available for learners till December 1. Director of the Project is Dr. T.Mohammed Saleem, Principal, FTC.

With much pleasure, we would like to express our appreciation to the FTCIA DPLP team for their commendable work in initiating such a challenging project on May 12, 2020. The platform which began with 500 online learners has today nearly 4896 learners coming from a spectrum of backgrounds. We are blessed that Farook Training College has through this platform been once again able to fulfill its mission and vision. Our learners across the globe has completed 17155 world class courses, 47260 instructional hours from International Universities which is worth Rs 8,57,75,000 (Eight Crores, Fifty Seven Lakhs Seventy Five Thousand) approximately.

The responses received from our learners as text messages and voice noted indicates their joy as though of a fulfillment of a dream and an effective utilization the lockdown. Learners have successfully been able to complete diverse courses in perfect match with their needs and interests. This has been made possible only through the sheer 24×7 service of our dedicated staffs .
