More Interactive Sessions

Make Teacher-Student-parent interaction more effective

Point and pick out students who are hesitate to come forward in gatherings

Satisfied ആൻഡ് proud with my college Farook ഫാമിലി... Reduce traditional writings and add more modern facilities

Be good and affective one

Fully satisfactory

Know the student.. and make sure that they are ready for learning

- 1) Reduce unnecessary assignments and tasks
- 2) Give more importance to life skills rather than academic achievements.
- 3) Avoid workloads as it creates stress among the students.
- 4) Do not overexpect from the students.

Nothing special

Promote English language proficiency

- 1) follow 'learning by doing' strategy in teaching.
- 2) Provide experiential learning

No comments

It's a good campus to study.

Make the library digitalised

Need to incorporate soft skills, communication skills and life skills

Job fair

Try to understand the uniqueness of every student.

Overall teaching and learning experience very good

-

Positions complete

To foster inter relationship between teachers and students

1.Should be provide yoga class at least weekly

--

It would have more better if my institution give little more emphasis and provide more opportunities on real classroom management experiences in an inclusive manner.

Overall teaching - learning experience is good

good

More communication
Ensure the strength of suppressed students

In My opinion we have to get a well curricular and non curricular teaching learning environment

Gender equality is taught in classroom not practiced in campus at all.

Institution plays a key role in the all-round developments of everylearns by providing us variety of curricular and co- curricular activities.

Conduct more community living camps and workshops

Collecting feedback from the students in 5 months interval that will help teachers very well and understand their strength and weaknesses

Take actions to Improve students skills n abilities, know their weakness & strength

Include more coaching classes,

Change the busy schedule of accademic calendar

Very friendly and supportive teachers

.....

-

orrganise programmes, give more chances to have contact with classroom ICT

Give more chances to the students to speak in public or before a crowd, help them chances to

Overall good.

1. Unit wise examinations can be conducted

The teachers shows how was a good teacher

We feel friendly environment there

Student centric approach

The existing system is appropriate to provide good teaching-learning experience.

Most of the teachers are doing very well.

Many of them, including the principal have a very good attitude towards students.

Institution provides the students a healthy and positive environment to develop their potentials.

I will choose the same institution if I get an opportunity to continue my studies.

Teachers are very supportive and helpful

ICT workshops to be given earlier in the course, Some ICT works are old and out of use and needs to be updated, Classroom management skills to be taught more

1. Provide students opportunities to comprehensively analyse aspects being taught and not just stick on to the textual aspects

2. Teachers need to update their materials as well as ideas with new information being evolved from time to time and not just supplement with content that is often outdated

3. Need to bring to campus, education experts from other elite institutions to familiarise students with alternative perspectives in education

ഒന്നും പറയാനില്ല, എല്ലാം മെച്ചം

Provide sufficient writing facilities during the class hours at auditorium

.....

Can improve

The 2 years was nice experience

Provide more innovative programs suitable for modern classrooms

Communication

Individual approach to learners.

The institution provides all the opportunities for holistic development of the students.

Importance should be given to co-curricular activities also

.

Ensure long lasting learning experience rather exam oriented, give enough hours to teach psychology like subject for better understanding

Nowadays we are more updated. So we should focus on new methods of learning rather than older methods of chart,model and all.

Give more importance to ICT methods, application of new educational apps etc

1. Effective integration of library in the course. That is, we use library as a source for reference but it should be used as a source for discussion. So ensure the availability of new policies and frameworks in education both in English & Malayalam. If Malayalam copy is not available, there should be a serious efforts in translating those materials into Malayalam
2. Include field visits and more practical sessions along with theory
3. M.Ed students could have given some opportunities in taking class for B.Ed students in our college in the presence of subject teachers other than internship programme
4. Attitude, Aptitude and diagnostic tests would have conducted and follow-up actions would be taken to directing the students in the right direction other than allowing them to continuing in their misconceptions

.

Utilize variety of technology

Connect to students individually

Encourage student teacher communication

Encourage student participation in teaching learning activities.

Teachers should be always helping and kind.,encouraged cooperative learning,use ict tools properly.

No suggestions.

Innovative ideas to develop their own style of teaching should be prioritised than systematic following of steps

- *It would be more systematic if attendance is taken for each hour.
- * Ensure that library is open in interval time also.
- *Please provide latest policies and other government documents related to education in the library.
- * Arrange toilet facility for students inside the library or near library.

1. More content enriched classes
2. Extra classes aimed at preparing for competitive exams
3. Class timing could be from 8 am to 1 pm

Shoud understand improvmt and creativity of every students and encourage them...

The experience was good

1

Collecting feedback from the students is necessary ..that. helps teachers to know their strengths and weaknesses

Conducting more useful sections with
Outside faculties.

Teaching in outside environment , Teaching with real life experience, Teaching extraordinary other than in syllabus.

- 1) Use better graphics and visual media to engage students well.
- 2)Try to reach every student and ask for their doubts.

- flexible and friendly teachers
- oppurtunities to better one's teaching competencies
- Stress-free learning environment

..

Teachers can provide fair feedback for student's assignments.

Communicating regularly with the students regarding their performance, can help the students to better their performance.

Our institution doing well in teaching learning process

The college life was so good

Student friendly

Reduce the use of ppt in classroom during teaching. After teaching the ppt are given to the students for learning
