November 14, 2019

Report (Programme Overview)

As part of School Adoption Programme (Phase 3) Farook Training College implemented pre-primary empowerment project on 14th November 2019 at FTC auditorium. At the inauguration of the Navaprabha Projects, an initiative of Farook Training College School Adoption Program, S S Muhammad Yunus, Secretary, Farooq Training College Managing Committee shared his opinion that Pre-primary education should be strengthened along with public schools in Kerala. The School Adoption Project is a Pre-primary empowerment project which aims to raise the academic standard of the schools. He focussed that government schools need to concentrate better in early childhood care and education if they are to enhance quality education for one and all.

The first phase of the Nava Prabha project is to improve the learning facilities of the school, paint the classrooms, decorate with painting pictures and collect the furniture for the classroom infrastructure. The inauguration of fund raising for the Nava Prabha Project of Farook Training College by M.Ed. Students was performed by handing over a check of Rs 10,000/- to Mr. Anand Kumar, HM, GLPS, Karinkallai.

As part of the 'Vidyadheeram - Learning Project', Farook Training College student teachers were giving classes at the school for three days a week to promote the school's learning activities. Mr. Faseel Ahammed, Coordinator, School Adoption Programme, mentioned that these plans would be extended to other government aided schools in the upcoming years as well.

The function was presided over by Dr. C. A. Jawahar, Principal, Farook Training College, and other important speakers at the function were M Prakashan, Municipality Ward Councilor, Ramanattukara, Rajan P, President, Vidyalaya Protection Committee, K Anandakumar, Headmaster, GLP School, Karinkallayi, Suchitra, President, School PTA, Dr T. Mohamed Saleem, IQAC Coordinator, Dr.

T.K. Umer Farooque, MD Coordinator, Dr. Manoj Praveen G, Staff Secretary and R Sreehari, Chairman, Student Union. Mr. Faseel Ahammed, Coordinator, School Adoption Project coordinated the programme and marked the welcome address while Mr. Mohammed Ismail K offered the Vote of Thanks for the gathering. The pre-primary empowerment project programme event was declared successful.

PRAVESHANOTSAVAM @ GLPS KARINKALLAYI

June 6, 2019

Overview

Praveshanotsavam, was studded with novelty in the year 2019. This is for the first time that all students ranging from minus two to plus two are getting advent to school. It was the students, members of Karinkallayi GLP School and Mr. Hamsath Ali who made the Praveshanotsavam a festive one. Mr. Hamsath Ali is a Payyoli native who was retiring from his HeadMaster post in that year and as a memoir he gifted a self-built Tagore statue and a huge Gandhi portrait to his dearest students.

He did spend some quality time during Praveshanotsavam with a few teachers and M.Ed. Students of Farook Training College followed by a feast all together which filled their hearts with bliss. The teachers and students of Farook Training College are the ones who share a cordial relation and offers deep gratitude with respect for others and amongst them as well. Everyone together made this wonderful start a splendid one. Mr Faseel Ahammed, Coordinator, School Adoption Project, leded the auspicious programme while the event was leaded under the auspices of Mr. Muhammed Sareef, Dr. Aseel Abdul Wahid and Dr. Afeef Tharavattath.

Vidyatheeram

January 17, 2023

As a part of Vidyatheeram project under the leadership of the NSS unit, Farook Training College assessment of children's level in mathematics was carried out at adopted school, Karinkallai GLP School, on 17-01-2023. The first-year B.Ed Mathematics students Amal Saeed, Adhila, Hanna Sherin, Swetha and Malayalam student Nasmina led the programme. 20 questions were given in the assessment including basic addition, subtraction, multiplication, division etc. Children found answers to the questions with great enthusiasm. After evaluating the answers, a plan was devised to develop the skills of the children according to their level.
