

Department Name : Research & IQAC

Meeting date | time 10/8/2023 3:30 PM | Meeting location *G-Meet*

Meeting called by	Dr.Niranjana KP	Attendees
Type of meeting	Research & IQAC	Dr. T Muhammed Saleem
Facilitator	Dr. T Mohammed Saleem	Dr. Umer Faroque TK
Note taker	Dr. Umer Farooque TK	Mr. Nowfal C
Timekeeper	Dr. Nowfal C	Dr. Vijayakumari K
		Dr. Rishad KT
		Dr. Jayaprakash

Meeting Agenda

Date 08/10/2023 | **Time allotted** 1 | **From** :3:30 pm **To** 4.00 pm | **Presenter** Dr.T Mohammed Saleem

- To conduct the Second Phase of the Young Scholars Enrichment Programme-Phase II Organising by IQAC Farook Training College in collaboration with DIET Malappuram and SCERT Trivandrum on 16th and 17th August 2023.

Report

Young Scholars Enrichment ProgrammePhase-II in Collaboration with SCERT 16-17 August 2023

The Young Scholars Enrichment Project, a collaborative initiative between SCERT Kerala and Farook Training College, is making significant strides in supporting 24 MEd students as they embark on completing their MEd dissertations. In the recent commencement of the project's second phase, a two-day workshop held on August 16th and 17th, 2023 at MMI Hall, Farook Training College, marked a pivotal step forward. The event's inauguration was graced by the esteemed presence of Dr. KR Jayaprakash, Director of SCERT, who set the tone for the workshop. Throughout the session, the experienced leadership of Prof. (Dr) T Mohammad Salim, along with insights from Prof. (Dr) MA Sudhir from Gandhigram Rural Institute, and Dr. K Biju from Central University of Tamil Nadu, provided invaluable guidance through their keynotes and discussions.

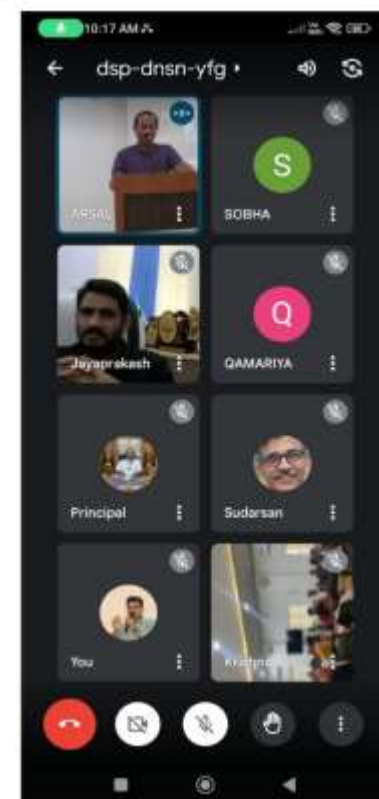

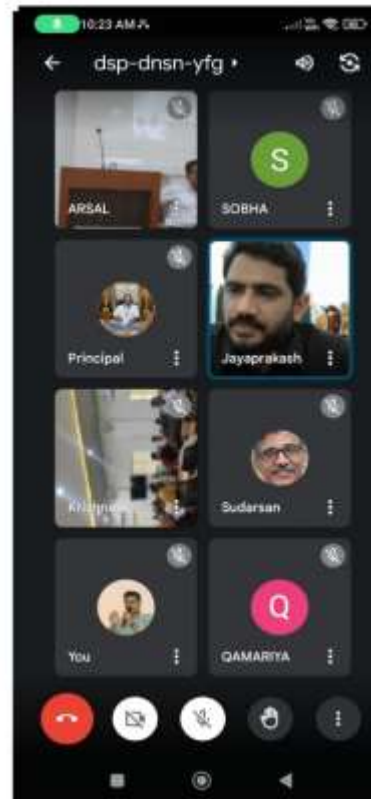

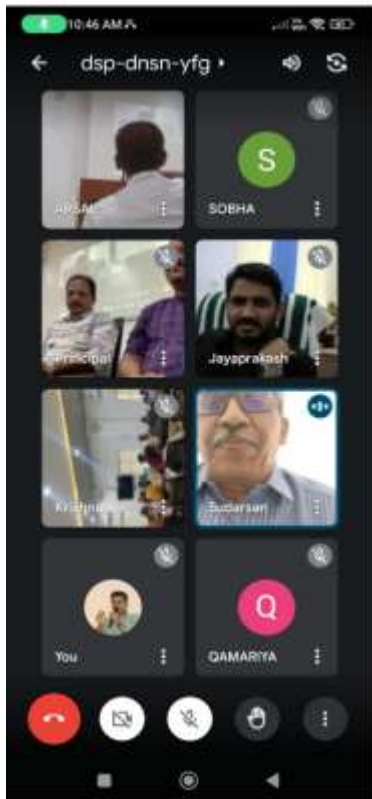

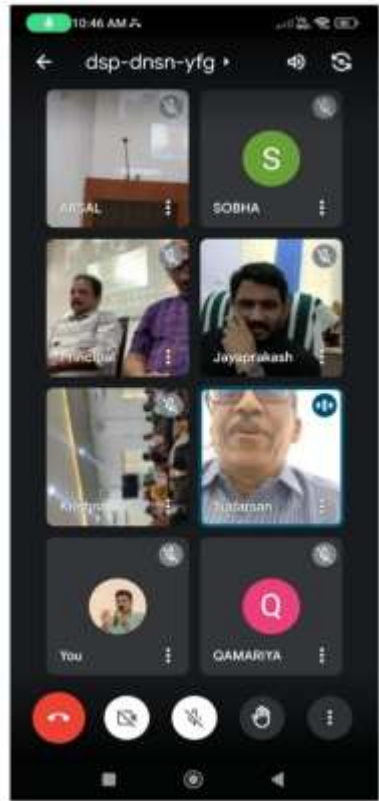

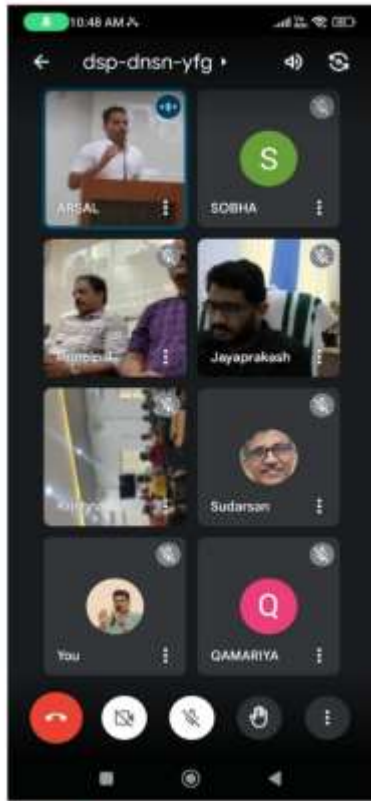

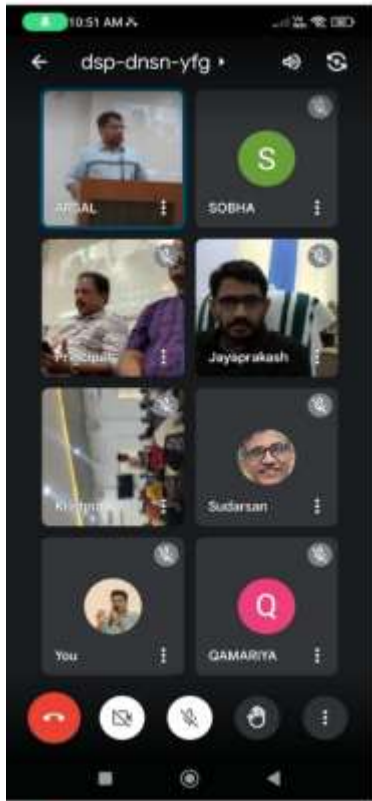

The workshop's core agenda revolved around research design and tool construction, essential components for any meaningful dissertation. Dr. Shobha Jacob, Research Officer at SCERT, extended a warm welcome to all attendees, emphasizing the significance of this collaborative effort. The involvement of Dr. Salemudheen, Principal of DIET Malappuram, Prof. (Dr) K. Vijaya Kumari, Professor at Farook Training College, and the presence of Prof. (Dr) M Jesa, Dr. T Umer Farooq, Dr. Anees Muhammed AMC, Dr. K P Niranjana, Dr. Rishad K, and Mr. Nasar Kaliyayil as resource persons further enriched the workshop. Dr. Nowfal C, Assistant Professor at Farook Training College, fittingly proposed a vote of thanks, expressing gratitude to all contributors for their valuable insights and expertise.

This collaborative effort, initiated by SCERT Kerala and Farook Training College, holds the promise of nurturing a new generation of capable researchers and educators, contributing to the advancement of education and knowledge in Kerala and beyond. The workshop's successful execution demonstrates the commitment of all stakeholders involved and sets a positive momentum for the completion of the MEd dissertations by the Young Scholars Enrichment Project participants.

Phase II
**Workshop on Research
Design & Tool Finalisation**

On 16 & 17 August, 2023

Farook Training College

The State Council of Educational Research and Training (SCERT), Kerala, recognizes the importance of establishing a strong link between the General Education and Higher Education departments. In pursuit of this goal, SCERT is embarking on a collaborative initiative with esteemed higher education institutions, such as universities and colleges. The first step of this endeavor involves partnering with Farook Training College, one of the leading teacher education colleges in India, affiliated with Calicut University, which currently hosts 24 students pursuing their M.Ed. courses in the PG Department of Education. These students are mandated to undertake mini research projects as part of their M Ed curriculum.

Program Objectives:

The primary objective is to bridge the gap between General Education and Higher Education departments, thereby facilitating a seamless exchange of ideas, research, and knowledge.

The program aims to nurture and enhance their research skills, fostering a culture of academic inquiry and critical thinking.

The initiative seeks to identify and delve into the educational issues faced within a specific district, in this case, the Malappuram district.

The program intends to harness the results of the research projects conducted by these scholars to drive positive changes in curriculum design, learning materials, and teacher training programs within the General Education sector.

The second phase of this transformative project kicks off with a two-day workshop on "Research Design and Tool Finalisation" scheduled to take place on the 16th and 17th of August at Farook Training College. The inaugural ceremony of the workshop will be graced by the presence of Dr. R. K. Jayaprakash, Director of SCERT. The workshop will be led by renowned academicians and experts in the field of education, Prof. Dr. M. A. Sudhir and Dr. K Biju. The academic team from DIET Malappuram and Faculty members of Farook Training College will mentor the scholars during the sessions.

FTCIA Farook Training College
Innovative Academia

16/8/23, Wednesday

9.15 - 9.45 Registration
10.00 - 11.15 Inaugural Session

Dr. R.K. Jayaprakash
Director, SCERT

Prof. (Dr.) T. Mohamed Saleem
Principal
Farook Training College

Dr. Shobha Jacob
Research Officer
SCERT

Dr. Saleemudheen
Principal (FAC)
DIET Malappuram

Prof. (Dr.) NS Mumthas
RAC Member
Farook Training College

Dr. Noufal. C
M Ed Coordinator
Farook Training College

11.00 - 11.15 Tea Break

11.15 - 12.00
Theme Presentation

Prof. (Dr.) M.A. Sudhir
UGC Emeritus Professor
Gandhigram Rural Institute

12.00 - 1.15 Pm Finalisation of Research Design
1.15 Pm Lunch Break

2.00 - 2.45 Pm
Theme Presentation

Dr. K. Biju
Assistant Professor,
Central University of
Tamilnadu

2.45 - 4.15 Drafting the Tool

17/8/23, Thursday

10.00 - 12.00 Presentation of Research Design by Participant & Critical Review by Experts
12.00 - 1.15 Discussion on Tool & Expert review
1.15 Pm Lunch Break
2.00 Pm Discussion on Tool & Expert review
3.15 Pm Valedictory Session, Reflections.
