Inauguration of Social Science Association

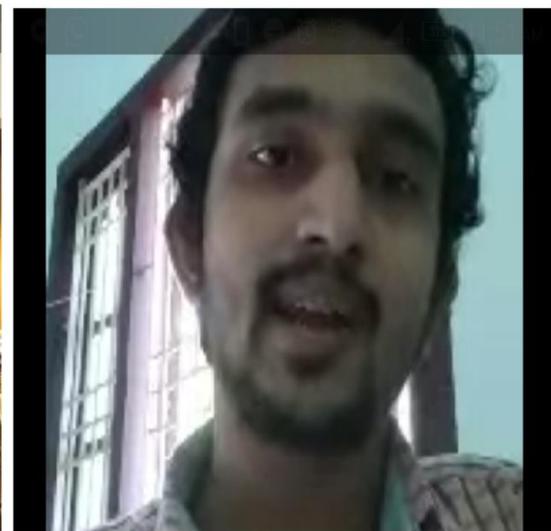

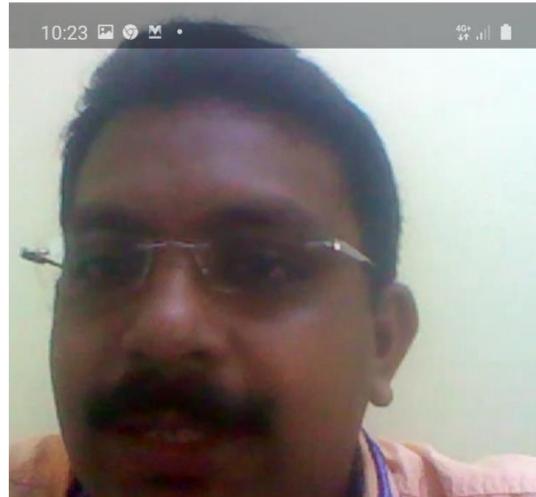

19th August 2020

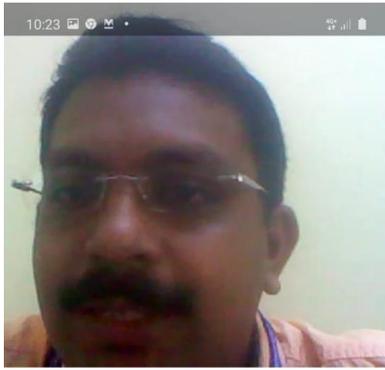

The official inauguration of the social science association -"Socio-sapiens" under the auspicious of Farook Training College-FTCIA for the 2019-2020 academic year was held on the 19/08/2020 at 10.A.M through college youtube channel 'gurudharshan' and google meet. As part of the inaugural function of the association, a discussion was held on the topic "Covid19 A pandemic : Socio-Economic impact and challenges". Aswathi Jayaram. N.J, treasurer of the association delivered the welcome address as part of the formation of the association. To observe clearly in the socio-cultural sphere of the society as a student-teacher, to adopt decisions, to understand social issues as students, take on challenges, find solutions, discussing democratic issues among students, enable each student to be introduced to the latest changes in the field of science and technology and to make effective use of them.

Like these objectives of the association were introduced through the welcome address. Social science association secretary Jamsheera presided over the function. Dr. Jouhar Munavvir (Asst. Prof. Social Science department), Dr.Manoj praveen. G(co-ordinator, IQAC), Mr. Muhammed Sareef (staff secretary), Mr. Noufal. C (staff advisor for union) were the presidiums at the programme. Dr. Muhammad salim (principal, Farook Training College) delivered the keynote address. He point out in the key note address that the importance of the social science department in any training college and the impact they have on the activities of the college is huge. The event was formally inaugurated by Dr. Noushad P.P(Associate professor, MG University, Kottayam). In his inaugural adress, he shared the socio-economic changes and crisis of the covid period. As part of the inaugural function of the formation of the association, Dr. Abdul Azeez. N. P(Assistant professor Aligarh Muslim University, Uttar Pradhesh) discussed and shared ideas with students on topic "Covid 19 A Pandemic : Socio-Economic impact and challenges".

In the discussion he pointed out how much the Covid 19 epidemic has undergone economic, social, health and political changes among the people of the world, and that this change will led to the closure of the economic, health and trade sectors. As part of this, huge losses were incurred in the supply and demand sector and these losses significantly affected the supply chain.this led to unemployment and created a major finacial crisis in the country. The epidemic of Covid 19 affected developed countries more than the under developed countries. social change is associated with an increase in suicidal tendancies, sleep patterns and stress. He ended a wide-ranging discussion by giving some suggestions to protect the socio-economic -health sector of the country during this epidemic.that is, offering a stimulus package, increasing investment, protect public health care system and detect the vaccine. Then there was a 15 minutes question and answer session. Vipin, Anees, Sadhique, Dr. Umer Farooque and Nimisha were actively participated in the question and answer session. Social Science student Ms. Sahna. P, event ended with vote of thanks.
