## Labeling of Trees Inside the Campus

29<sup>th</sup> September 2021

Farook Training College, established in 1961 by Roulathul Uloom Association, is the first teacher education college managed by Muslim minority in the state to promote the cause of education in the Malabar region of Kerala. After the college was officially declared in 2006 as green campus, extreme care has been taken to keep green protocol. The college makes strenuous efforts to green the campus always through celebrating the relevant days with planting saplings and its caring. The college plans all of its activities in tune with green protocol.

The college has taken a very good initiative to identify and document the plants and trees inside the campus which was done by the nature club with the help of a taxonomist. The resource group has identified the plantation in the campus first with their scientific name, family, and number of trees inside the campus. The tree flora of the Farook Training college campus is given below.
