Jingle Bells- X'mas celebration 2k21 @ FTC 23rd December 2021

Christmas is the perfect time to celebrate the love of god and family and to create beautiful memories that will last forever. And FTC celebrated the day under the guidance of miqesia students council on 23rd December 2021 at 2pm at the college auditorium with much pomp and glory. All students of the college along with the teaching faculty and other staff members participated in the event and made it a wonderful evening to remember. The celebration kicks started with Santa's entry with a gang of students singing Christmas Carol's and moving to the beats of the drums arousing energy and excitement throughout the campus. Santa interacted with the students and wished them a merry Christmas. Respected Principal Dr. T Mohamed Saleem wished the students and staff with a beautiful message on the importance of Christmas and cut the cakes prepared by the students as part of the cake making competition. Dr. Niranjana madam, Dr. Fathima madam and Ms. Irshana madam evaluated the cakes and the result was announced by Santa. 1st year B Ed student of Natural Science Ms. Ameena bagged the first prize. Ms. Fidha from Maths and Ms. Nimna from DECCE shared the second prize. The cakes were cut and distributed among the students and staff . It was followed by the students from every class singing Christmas Carols on the stage. Santa announced the winners of Letter to santa competition. Ms. Ayisha Nisha of 1st year B Ed Natural science bagged the first prize. Santa read the letter aloud to the audience and gave his reply directly to Ms. Ayisha . He also gave a surprise gift to one of the students Ms. Harsha Jayaram of 1st year B Ed Maths by selecting her name randomly from a box full of names of all these students. Few tasks were also given to students like making Sr. Nazimudeen sir smile before entering the games session . Biscuit eating competition and balloon blasting competition were held under the guidance of Mr. Nowfal sir and the students actively participated throughout the program making it a success.

After winding up the celebrations at the college ,the students and teachers visited the nearby old age home "Snehatheeram" as part of the college extension program Hridayapoorvam. They celebrated with the members of the institution by distributing tea and snacks and interacting with them.

Report

DECCE Field Trip to Wayanad

8th December 2021

As part of the DECCE curriculum, we had conducted an excursion on 8th Dec 2021 to Wayanad. 43 students participated in total under the guidance of 3 teachers. The tour started from the college at morning 6:00 where the teachers and students boarded and it began. A few of the students joined on the way at 3 different places and pick up points. The team reached Wayanad Pookkad Lake Park around 8:30 am and had our breakfast there. After that, we had boating and spent some time in the park for an hour. We left the park around 11 am and set to Meemmutty Waterfalls, where we reached around 12:30 pm. There we trekked to the lake, spent time in waterfalls and returned after our lunch. We left there around 3 and set out straight to Banasura Sagar Dam. There we had some shopping, we have enjoyed ourselves a lot, and it was a good time in the park. We had a game together, which was really fun. We left there around 6 pm. Then next we pulled over point was Vythiri and that was just for shopping. We all got many authentic Wayanad items there, which we bought to gift others and for memory. We left there in an hour and dropped down at Thamarasseri for dinner. On the way, we had an experience sharing session on the bus, where the teachers and students shared their experiences. We dropped a few of our students on the way and reached college at 11 pm. Overall it was very informative, memorable and enjoyable. We spent a very good time on the bus too, where we played games, sang songs and danced. We are thankful to the staff and teachers for their help and support throughout the trip.

National Mathematics Day Observation- Ganit 2k21

21st December 2021

National Mathematics day was observed under the banner Ganit 2k21 by SAR.G.A.M, Mathematics association, 2021-2022. Every year, 22 December is observed as National Mathematics Day in India to commemorate the birth anniversary of legendary mathematician, Srinivasa Ramanujan. Ganit 2k21 was a three day program extending from 20th of December to 22nd of December for student teachers of Farook Training College. The Mathematics Department put up an excellent assembly driving home the importance of Mathematics across the world.

The program began with an eloquent speech by Harsha P Jayaram, Coordinator of Ganit 2k2, that gave a warm welcome to the inaugural ceremony. This was followed by Presidential address given by Dr. Vijayakumari, Associate professor of Mathematics Education .Her words reminded us the importance of mathematics in our life and encouraging to develop self-learning and rational skills. The program was inaugurated by our beloved principal, Prof. (Dr.) T. Mohammed Saleem . The Principal gave great compliments to entire events of the programme. Dr. Manoj Praveen G. , IQAC coordinator felicitated the gathering. Mr. Rishad Kolothumthodi, Staff secretary and Assistant professor of Mathematics Education wished the participants and greeted the members on the dias. Mr. Faseel Ahammed, Staff advisor , Assistant professor of Mathematics gave his felicitations. The official inauguration ceremony was put to and end as Ashitha, assistant coordinator of Ganit 2k21 rendered the vote of thanks. Various programmes organised was as follows.

20.12.2021

The three day celebration was begun at 11:45 AM with Drawing Competition on 20.12.21. Student teachers of all department took part in the event with enthusiasm. The event helped to display the importance of Ramanujan number (1729) among the student teachers.

21.12.2021

The second day was eventful with photography and quiz competitions. Students were asked to identify and capture the pictures of Mathematical elements in

nature. Active participation of students gave immense collection of beautiful photographs of mathematical elements in nature.

Quiz competitions was conducted in college auditorium under the leadership of Quiz masters. Exciting competition between the competing teams displayed the audio visual competencies and general awareness of the participants.

22.12.2021

The very last program of the three day Mathematics day celebration was Treasure Hunt. Effective participation of the student teachers made the event fun filled. Mathematical, reasoning and logical abilities of the students were challenged in the event. Four teams, alpha, beta, gamma and delta were selected for the final round after the elimination round.

The prize distribution ceremony will be conducted on official inauguration ceremony of Mathematics association. Samjeev (PS), Reshmi Ramesh(M.Ed) and Basil (Mal) grabbed the first, second and third prizes respectively in drawing competition. Arun Raj(B.Ed) secured first prize in photography competition. Basil (B.Ed) secured second prize in the event. Quiz competition had an active participation of 12 two membered teams out of which Samjeev(B.Ed) and Arun Raj(B.Ed) were the winners . Biju(B.Ed) and Sanjay(B.Ed) were the first runner up and Mariya(B.Ed)and Naja(B.Ed) were the second runner up. Team Gamma(Samjeev (B.Ed), Angel(B.Ed)and Niya(B.Ed)) was the first to find the treasure and became the winners of the event.

The poster preparations and execution of the program were done in a very attractive manner by the student teachers of Mathematics. The systematic and coordinated efforts of students from Mathematics optional made the program eventful, timed and knowledgeable. All the FTC community evaluated the programme as a great success.

M.Ed. Field Trip to Thonikadavu & Janakikkadud

16th December 2021

A field trip for 2020-22 M .Ed Batch of Farooq Training College has been conducted on 16/12/2021. Afeefa was the trip coordinator. All plannings related to the trip were done two days before the journey. The trip was named as 'Rov 2021'. We mainly visited two places. One is Thonikkadavu near Balussery and the other is Janakikkad.

There were 24 M.Ed students and 6 teachers (M.Ed Coordinator Dr. Vijayakumari , Dr. Niranjana ,Dr. Ummer Farooq, Mr. Faseel Ahammad , Mr. Subhash , and Dr. Anees). The journey started from the college at 8.30 am and reached Tonikkadavu at 10 25 am. Tonikkadavu is a place of natural beauty. We spent plenty of time over there and students as well as teachers made the time more cheerful with interesting games. we left Tonikkadavu by noon. After lunch at 1:00 pm we set off for Janaki kaadu. Janakikkadu is a very beautiful place with a beautiful river flowing through the middle of the forest. That afternoon became more memorable as most of it was spent in river. we left the place by five o'clock. On the way back to home we visited the home of Mr.Sree Lal, one of the M.Ed students. By 7 pm we returned from there and reached the college at 8.40 pm. It was a trip that brought warmth, joy , togethers and refreshment to everyone's minds..

WHY WE DON'T USE MENSTRUAL PADS?

Secret Toxic Chemicals in Pads

Dioxin and furan
Pesticide residues
Adhesive chemicals
Lindane Residues
Chloride

Exposure Concerns:
Reproductive harm
Cancer
Allergic rash
Thyroid disruption

*In a month 12 - 15
In a year 12 x 12 = 144 - 150
In Whole Life Span the Cycle goes for 40 - 45 years
150 x 40 = 6000....
Just Imagine the count of all the menstruating women.....*

HOW TO INSERT A CUP

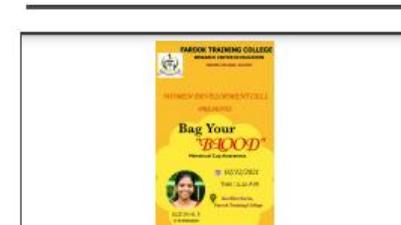

MENSTRUAL CUP BENEFITS

- Doesn't affect pH
- Change every 8-9h
- Feels good
- Lasts for 3-4 years
- Earth will love you
- Don't think what to wear

OTHER METHODS

Report

Workshop on ICT (Survey heart and Google slide) 9th December 2021

A workshop on ICT (Survey heart and Google slide) was held on 9th December, 2021 at 10.00 -1.00pm at 1st year Med classroom. Mr.Suvin VM, MEd student was the resource person for the workshop. The program was so contented with the presence of our beloved teacher Mr. Fazlul Abid The workshop deals with making 'Google form' and 'online quizzes' by using Survey heart app and making 'power point' presentation using Google slides. It was very helpful for all the participants of the workshop. Survey heart was experience for majority of the students and students conveyed that it made making online forms and quizzes easier. The resource person also cleared each and every single doubts of the participants. The session was very short and crispy so all students were able to grasp the content soon. It was a three-hour workshop. The session was concluded by asking students to create their own quizzes, forms and slides on interested topics using the same apps and to submit by December 10, 2021. The workshop was dispersed after the review session.
