### F-Talk on 'Professionalising Teacher-Global Perspective' 1<sup>st</sup> February 2023

F- Talk, Farookabad Talk on Education, International Frontier Lecture Series which has become a regular aspect and part of Farook Training College was once again conducted on February 1st, 2023. Such a platform with inspirational talks often can spark new ideas for better educational experiences. It broadens the horizon of understanding through its discussions, interactions and sharing different perspectives on vibrant topics. The present F-talk was on the topic 'Professionalising Teacher- Global Perspectives'.

The success of any mega event is determined by the inspiring presence of a great personality who lends a charisma to the occasion and the revered chief guest of the day was Dr Shahid Cholayil. The F-talk began with a prayer. Mr Rishad, staff secretary of Farook Training College welcomed the gathering. Next was the presidential address. It was delivered by Prof Dr Mohamed Saleem, Principal of Farook Training College. After this, a memento was presented to the chief guest, Dr Shahid Cholayil by Mr V. M. Basheer, member of Rauthathul Uloom Association followed by a speech by Mr V.M. Basheer.

This was then followed by the session of Dr Shahid Cholayil. He spoke about the need to professionalise teachers and stressed on the impact of AI in different fields. Later the session was open to the audience to interact with the speaker. Many students of MEd, BEd and research scholars asked their queries on the topic spoken. Feedbacks of the session were given by a few students all which portrayed the immense positive influence made by the topic spoken. The session was concluded formally with the 'vote of thanks' by Mrs Lulu S Kappil, a research scholar of Farook Training College.

## Report

### **One Week Short Term Certificate Course on Inclusive Education 20<sup>th</sup> – 26<sup>th</sup> February 2023**

The Inter University Centre for Disability Studies (IUCDS), MG University, Kottayam, ISS College of Teacher Education, Perinthalmanna, and IQAC Farook Training College, Calicut jointly organized a one-week online short term certificate course on "Inclusive Education" from 20<sup>th</sup> to 26<sup>th</sup> February 2023. This course aimed to teach participants about inclusive education, curricular issues, and alternative means for assessment and evaluation.

The course was attended by a total of 315 members, including students and faculties from various colleges and universities. All the participants were provided with their username and password to access the course. Dr. Aseel Abdul Wahid, Assistant Professor Farook Training College, and Dr. Naseerali M.K, Assistant Professor, ISS College of Teacher Education were the course coordinators of the program. MR. Rasheed C.P and Mr. Sony Damodaran, Assistant Professors of ISS College of Teacher Education, were the organizing secretaries. Dr. Baburaj M.K, Director IUCDS, MG University Kottayam, Dr. T Mohammed Saleem, Principal Farook Training College and Mr. Samad Mankada, Principal ISS college of teacher education were the program convenors.

The course was a self-paced learning session via LMS, consisting of video sessions, reading materials, and graded assignments. It followed the four quadrant approach to MOOC courses, with 3+1 hours daily. The course delivery and resources were made available offline through the LMS (Moodle). The course scoring and grading were based on the activities organized in the course, such as assignments, quizzes, and tests. The assessment and evaluation were conducted based on each module's assignment, practice works, and quizzes, along with an achievement test based on the entire module at the end of the course. The certification was based on the participation and grades obtained by the participants. Soft copies of certificates were issued to all eligible participants.

Overall, the one-week online short term certificate course on "Inclusive Education" was a successful program attended by a significant number of participants from various colleges and universities. It provided a platform for participants to learn about inclusive education and various strategies to address curricular issues and alternative means for assessment and evaluation. The organizers and coordinators have done an excellent job in structuring and delivering the course content and resources through the LMS platform. The issuance of soft copies of certificates added value to the course's participants, making it a useful experience.

### **Concept Note: Learn practical strategies towards an inclusive classrooms**

Inclusion is visualized as a universal human right. The aim of inclusion is to embrace all people irrespective of race, gender, disability, medical or other need, giving equal access and opportunities and getting rid of discrimination and intolerance (removal of barriers). It affects all aspects of public life. Inclusive design focuses on eradicating barriers that create undue effort and separation. It enables everyone to participate equally, confidently and independently in everyday activities.

On this course you will learn about inclusive education, understanding what barriers there are to learning and how to challenge them. Addressing the curricular issues through curricular adaptations, modifications and strategies for differentiating content in an inclusive classroom. It will also focus on alternative means for assessment and evaluation in an inclusive classroom. Join us in creating a classroom that believes in learning for all children.

## Report

### Webinar on Comparative Education: India and Maldives 4<sup>th</sup> February 2023

On Saturday, April 2, 2023, at 7 p.m., a webinar titled Comparative Education: India and the Maldives, Teaching Career Opportunities in the Maldives was held as part of the Social Science Association of Farook Training College. The program was organised by Mr. Fasalul Abid (social science teacher at Farook Training College) and first year B-Ed social science students. The resource person was Shebeer Babu, who works as a history teacher at Ghiyasuddin International School, Maldives. The webinar started at 7 o'clock, and Sadiq Ali gave the opening remarks. The class took a very detailed look at job opportunities in maldives and the comparison of the education system in India and Maldives. There was large participation of students from Farooq Training College and other colleges. After the presentation ended, there was a interaction session with Mr. Shebeer, and he responded to all of the students' queries. . The vote of thanks was delivered by Safna V. I.
