Workshop on Module Preparation

19th November 2021

A workshop on module preparation for in-service teacher training programme for M.Ed students (2020-22 batch) was conducted on 19/11/2021. The resource person for the full day session was Dr. M Shaheed Ali, Senior lecturer, DIET, Palakkad. He is an alumnus of Farook training College and is a well-known teacher trainer and an award winner as best mentor of SCERT, Kerala. A module includes a number of lessons or learning objects, smaller pieces of educational content. The responsibilities of a teacher educator include training for in-service teachers and hence training for the module preparation deserves much importance. Welcome speech for the session was done by Miss Reshmi. The meaning of module, its uses and steps of module preparation were discussed in the class and then the participants prepared modules in groups.

After the preparation each group presented their module and feedback was provided by the resource person. The participants were highly satisfied with the sessions which was reflected in the feedback session of the programme. Mr Sreelal and Miss Marfiya shared their thoughts and the workshop was signed off by Miss fasna.

Workshop on Improvisation of Science Teaching

3rd March 2022

Department of physical science of Farook training college organized a workshop on "improvisation of science and teaching aids" on 3rd March 2022 at the technology hub. The workshop was specifically meant for B Ed and M Ed physical science students with a view to familiarize them with improvised science teaching aids. There was participation from physical science and natural science departments. The formal session commenced at 2.00 pm with the gracious presence of chief guest Illias perimbalam , a well- known teacher , amateur astronomer and columnist , achieved Galelio award in 2009 and Gurusreshta award in 2015 , also won state PTA ,s best teacher award in 2018. Miss Bhavana p of second year B Ed physical science welcomed the gathering.

Prof. Dr. T Muhammed Saleem, principal of Farook training college, presided over the meeting and Dr Manoj Praveen, associate professor, department of physical science felicitated the occasion. Resource person Illias perimbalam delivered a few words on the importance of importance of improvisation in science teaching aids. Variety of working models were introduced and the session was very much interactive in nature. He also explained in detail how we can use the easily available objects as teaching aids inorder to make science teaching effective. The workshop was beneficial to all

MediaOne Senior News Editor Abhilash Mohanan delivered the fifth lecture in the web talk series organized by Farook Training College Liberte Students' Union with the aim of creating an informative and controversial atmosphere among students by utilizing the potential of the online platform during the Covid era. In his simple speech on the topic journalism during the Covid period, he spoke beautifully about the consequences that Covid had on the field of journalism. He also spoke about the malicious harassment of journalists by the Central Government during this pandemic period. The program was conducted via Google meet with live streaming through YouTube Channel on 18/11/20 @ 2.30 pm. College Principal Dr. Mohammad Saleem gave an introductory speech at the function which was presided over by Staff Advisor Mr. Nowfal C. Union chairman Sreehari welcomed and Anusha proposed vote of thanks.

FTCIA DPLP (Digital Public Learning Platform)
8th May 2020

Online learning platform gained new momentum due to the lockdown scenario all over the world. Massive online open learning facilities are widely utilised by not only academia but ordinary people also. In this context under Farook Training College innovative Academia (FTCIA) explored the scope of massive learning and the task assigned to one of our team consisting of Dr. Aseel Abdul Wahid, Mr. Mohamed Shareef, Mrs. Irshana Shahnaz and Mr. Fasalul Abid. After their systematic discussion and dedicated work, FTC is now successfully affiliated with "Coursera," free of cost. Hence after the discussion, the expert group finalised the project title as: FTCIA DPLP (Digital Public Learning Platform)

Once again the wonderful combination of expertises blended together for FTC resulted in another achievement. Now, the DPLP platform has nearly 5000 learners across the globe led by 20 Whatsapp groups under the administration of the FTC team. Learners have benefited from this by having completed nearly 20000 courses from International Universities. The program is available for learners till Sept 30. Director of the Project is Dr. T. Mohammed Saleem, Principal, FTC.
