The Inter University Centre for Disability Studies (IUCDS), MG University, Kottayam, ISS College of Teacher Education, Perinthalmanna, and IQAC Farook Training College, Calicut jointly organized a one-week online short term certificate course on "Inclusive Education" from 20<sup>th</sup> to 26<sup>th</sup> February 2023. This course aimed to teach participants about inclusive education, curricular issues, and alternative means for assessment and evaluation.

The course was attended by a total of 315 members, including students and faculties from various colleges and universities. All the participants were provided with their username and password to access the course. Dr. Aseel Abdul Wahid, Assistant Professor Farook Training College, and Dr. Naseerali M.K, Assistant Professor, ISS College of Teacher Education were the course coordinators of the program. MR. Rasheed C.P and Mr. Sony Damodaran, Assistant Professors of ISS College of Teacher Education, were the organizing secretaries. Dr. Baburaj M.K, Director IUCDS, MG University Kottayam, Dr. T Mohammed Saleem, Principal Farook Training College and Mr. Samad Mankada, Principal ISS college of teacher education were the program convenors.

  
 Principal  
 Farook Training College  
 P.O. Farook College, (Calicut)

The course was a self-paced learning session via LMS, consisting of video sessions, reading materials, and graded assignments. It followed the four quadrant approach to MOOC courses, with 3+1 hours daily. The course delivery and resources were made available offline through the LMS (Moodle). The course scoring and grading were based on the activities organized in the course, such as assignments, quizzes, and tests. The assessment and evaluation were conducted based on each module's assignment, practice works, and quizzes, along with an achievement test based on the entire module at the end of the course. The certification was based on the participation and grades obtained by the participants. Soft copies of certificates were issued to all eligible participants.

Overall, the one-week online short term certificate course on "Inclusive Education" was a successful program attended by a significant number of participants from various colleges and universities. It provided a platform for participants to learn about inclusive education and various strategies to address curricular issues and alternative means for assessment and evaluation. The organizers and coordinators have done an excellent job in structuring and delivering the course content and resources through the LMS platform. The issuance of soft copies of certificates added value to the course's participants, making it a useful experience.

### Concept Note: Learn practical strategies towards an inclusive classrooms

Inclusion is visualized as a universal human right. The aim of inclusion is to embrace all people irrespective of race, gender, disability, medical or other need, giving equal access and opportunities and getting rid of discrimination and intolerance (removal of barriers). It affects all aspects of public life. Inclusive design focuses on eradicating barriers that create undue effort and separation. It enables everyone to participate equally, confidently and independently in everyday activities.

On this course you will learn about inclusive education, understanding what barriers there are to learning and how to challenge them. Addressing the curricular issues through curricular adaptations, modifications and strategies for differentiating content in an inclusive classroom. It will also focus on alternative means for assessment and evaluation in an inclusive classroom. Join us in creating a classroom that believes in learning for all children.

#### Topics

- Inclusion in our society – Need and Impact
- Models of Inclusion building a strong ecosystem.
- Barriers in Inclusion and Community support for students, schools and families

## Report

### International Webinar on 'Changing Trends in Teaching- Viewing the Indian Teaching Through An Oceania (Australia) Lens' 24<sup>th</sup> June 2021

Farook Training College ensures maximum exposure to its students in matters of education and teacher training programs to enhance the quality of its pupils. The college acknowledges that one often lacks to recognise the lacuna within ones own education system unless it is compared with others. It is with this objective that Farook Training College in collaboration with Miqesia Students Council organised an international seminar as part of the web-talk series.

The second lecture of the web talk of the academic year 2021-22 was held on 24<sup>th</sup> June 2021, Thursday at 10:30 a.m. on Google meet platform. The lecture titled Changing Trends in Teaching - Viewing the Indian Teaching Scenarios through an Oceania (Australia) Lens had professor Raju Chako from Australia as its resource person. For the program, participated by B.Ed, M.Ed, Research Scholars, DECCE and teachers of FTC, the welcome speech was delivered by Ms. Nourin Sharaf of 1<sup>st</sup> B.Ed English.

Dr. Mohammed Saleem, the Principal, FTC, delivered the presidential address. In the talk that ensued Prof. Raju Chako, teaching faculty of Social Work Discipline in CDU Australia and a Mental Health Clinician in DFFH, gave an outline of the system of

education in Australia. He talked about how the curriculum in Australia has adapted to the demands of the rapidly changing world. He also focused on the appreciable features of the schools in Australia which give high importance to the learner's choice and freedom in selecting his/hers subjects of interest and about the individually focused educational strategy adopted there. The assessment system that emphasises on the application of knowledge rather than rote memorisation also formed the crux of the lecture. He concluded his lecture by stating the need of establishing a flexible system of education that is learner-centered, and adapted to the changing demands of the changing world. The talk was followed by a long interactive session where doubts were raised and clarified.

For the program, which was highly appreciated by both the teachers and students, Mithun Gopi, General Convenor of the Student's Council, FTC, gave the vote of thanks.

**Document showing teachers' mentoring and assistance to students to avail of self-study courses**

The college prioritizes the promotion of student's self-study through online courses. In addition to regular classes, there's dedicated instruction and encouragement for this mode of learning. The college leverages DPLP, a digital learning platform, to offer these courses, supported by the tutor ward system that provides guidance and motivation to students. The college facilitates activities allowing students to access courses from institutes under existing MOUs, empowering them to take charge of and successfully complete these online self-study programs

FTCIA DPLP- Coursera (Digital Public Learning Platform)  
12<sup>th</sup> May 2020 – 1<sup>st</sup> December 2020

Online learning platform gained new momentum due to the lockdown scenario all over the world. Massive online open learning facilities are widely utilised by not only academia but ordinary people also. In this context under Farook Training College Innovative Academia (FTCIA) explored the scope of massive learning and the task assigned to one of our team consisting of Dr. Aseel Abdul Wahid, Course Administrator, Mr. Mohamed Shareef, Mrs. Irshana Shahnaz and Mr. Fasalul Abid, Course Coordinators. After their systematic discussion and dedicated work, FTC successfully affiliated with "Coursera," free of cost. Hence after the discussion, the expert group finalised the project title as: FTCIA DPLP (Digital Public Learning Platform).

Once again the wonderful combination of expertises blended together for FTC resulted in another achievement. Now, the DPLP platform has nearly 3911 learners across the globe led by 20 WhatsApp groups under the administration of the FTC team. Learners have benefited from this by having completed nearly 20000 courses from International Universities. The program was available for learners till December 1. Director of the Project is Dr. T. Mohamed Saleem, Principal, FTC.

With much pleasure, we would like to express our appreciation to the FTCIA DPLP team for their commendable work in initiating such a challenging project on May 12, 2020. The platform which began with 500 online learners has today nearly 4896 learners coming from a spectrum of backgrounds. We are blessed that Farook Training College has through this platform been once again able to fulfill its mission and vision. Our learners across the globe has completed 17155 world class courses, 47260 instructional hours from International Universities which is worth Rs 8,57,75,000 (Eight Crores, Fifty Seven Lakhs Seventy Five Thousand) approximately.

The responses received from our learners as text messages and voice notes indicates their joy as though of a fulfillment of a dream and an effective utilization of the lockdown. Learners have successfully been able to complete diverse courses in perfect match with their needs and interests. This has been made possible only through the sheer 24x7 service of our dedicated staffs.

The screenshot displays the Coursera dashboard for an organization. At the top, there are navigation tabs for 'courses', 'Users', 'Reports', and 'Organization Admin'. Below this is the 'Organization Home' section with a 'Summary' card. The summary card features four key metrics: 17,155 courses, 47,260 users, 70,459 enrollments, and a 4.8/5 rating (represented by five stars). Below the summary is a section titled 'Learner engagement with the platform' which includes a horizontal bar chart and three data cards. The bar chart shows three segments of learner engagement. The data cards provide the following information: 4,896 new students, 3,911 active students, and 275 new enrollments. Below these are three more data cards: 16,089 / 20,000 (with a 'View Details' button), 985 (with a 'View Details' button), and 3,636 (with a 'View Details' button).

## **Document showing teachers' mentoring and assistance to students to avail of self-study courses**

The college prioritizes the promotion of student's self-study through online courses. In addition to regular classes, there's dedicated instruction and encouragement for this mode of learning. The college leverages DPLP, a digital learning platform, to offer these courses, supported by the tutor ward system that provides guidance and motivation to students. The college facilitates activities allowing students to access courses from institutes under existing MOUs, empowering them to take charge of and successfully complete these online self-study programs

FTCIA DPLP- Coursera (Digital Public Learning Platform)  
12<sup>th</sup> May 2020 - 1<sup>st</sup> December 2020

Online learning platform gained new momentum due to the lockdown scenario all over the world. Massive online open learning facilities are widely utilised by not only academia but ordinary people also. In this context under Farook Training College Innovative Academia (FTCIA) explored the scope of massive learning and the task assigned to one of our team consisting of Dr. Aseel Abdul Wahid, Course Administrator, Mr. Mohamed Shareef, Mrs. Irshana Shahnaz and Mr. Fasalul Abid, Course Coordinators. After their systematic discussion and dedicated work, FTC successfully affiliated with "Coursera," free of cost. Hence after the discussion, the expert group finalised the project title as: FTCIA DPLP (Digital Public Learning Platform).

Once again the wonderful combination of expertises blended together for FTC resulted in another achievement. Now, the DPLP platform has nearly 3911 learners across the globe led by 20 WhatsApp groups under the administration of the FTC team. Learners have benefited from this by having completed nearly 20000 courses from International Universities. The program was available for learners till December 1. Director of the Project is Dr. T. Mohamed Saleem, Principal, FTC.

With much pleasure, we would like to express our appreciation to the FTCIA DPLP team for their commendable work in initiating such a challenging project on May 12, 2020. The platform which began with 500 online learners has today nearly 4896 learners coming from a spectrum of backgrounds. We are blessed that Farook Training College has through this platform been once again able to fulfill its mission and vision. Our learners across the globe has completed 17155 world class courses, 47260 instructional hours from International Universities which is worth Rs 8,57,75,000 (Eight Crores, Fifty Seven Lakhs Seventy Five Thousand) approximately.

The responses received from our learners as text messages and voice notes indicates their joy as though of a fulfillment of a dream and an effective utilization of the lockdown. Learners have successfully been able to complete diverse courses in perfect match with their needs and interests. This has been made possible only through the sheer 24x7 service of our dedicated staffs .
