Participatory Training on MENTIMETER
9th March 2020

Mentimeter is an app that make your audience feel involved by enabling them to contribute to presentations with their smartphones and show the results live. Once Mentimeter presentation is over, the presenter can share and export results for further analysis and even compare data over time to measure the progress of your audience. This app provides facilities for conducting real time polls, prepare word clouds, real time session of Q&As, and slides. Dr. Manoj Praveen G, our faculty member improvised the slide facility of Mentimeter to fetch real time feedback of micro teaching sessions and demonstrated it in a workshop of faculty members in our college. The participants had a hands on experience and felt satisfied over the effectiveness of the app during micro teaching to fetch feedback, analyse it online and share the results on to a whatsapp group

FTCIA DPLP- Coursera (Digital Public Learning Platform)
12th May 2020 - 1st December 2020

Zmj
Principal

P.O. Farook College, (Calicut)

Online learning platform gained new momentum due to the lockdown scenario all over the world. Massive online open learning facilities are widely utilised by not only academia but ordinary people also. In this context under Farook Training College Innovative Academia (FTCIA) explored the scope of massive learning and the task assigned to one of our team consisting of Dr. Aseel Abdul Wahid, Course Administrator, Mr. Mohamed Shareef, Mrs. Irshana Shahnaz and Mr. Fasalul Abid, Course Coordinators. After their systematic discussion and dedicated work, FTC successfully affiliated with "Coursera," free of cost. Hence after the discussion, the expert group finalised the project title as: FTCIA DPLP (Digital Public Learning Platform)

Once again the wonderful combination of expertises blended together for FTC resulted in another achievement. Now, the DPLP platform has nearly 3911 learners across the globe led by 20 Whatsapp groups under the administration of the FTC team. Learners have benefited from this by having completed nearly 20000 courses from International Universities. The program is available for learners till December 1. Director of the Project is Dr. T. Mohammed Saleem, Principal, FTC.

With much pleasure, we would like to express our appreciation to the FTCIA DPLP team for their commendable work in initiating such a challenging project on May 12, 2020. The platform which began with 500 online learners has today nearly 4896 learners coming from a spectrum of backgrounds. We are blessed that Farook Training College has through this platform been once again able to fulfill its mission and vision. Our learners across the globe has completed 17155 world class courses, 47260 instructional hours from International Universities which is worth Rs 8,57,75,000 (Eight Crores, Fifty Seven Lakhs Seventy Five Thousand) approximately.

The responses received from our learners as text messages and voice noted indicates their joy as though of a fulfillment of a dream and an effective utilization the lockdown. Learners have successfully been able to complete diverse courses in perfect match with their needs and interests. This has been made possible only through the sheer 24x7 service of our dedicated staffs .

Discussion series by the IQAC on SAAC Report writing

12th April- 19th May 2021

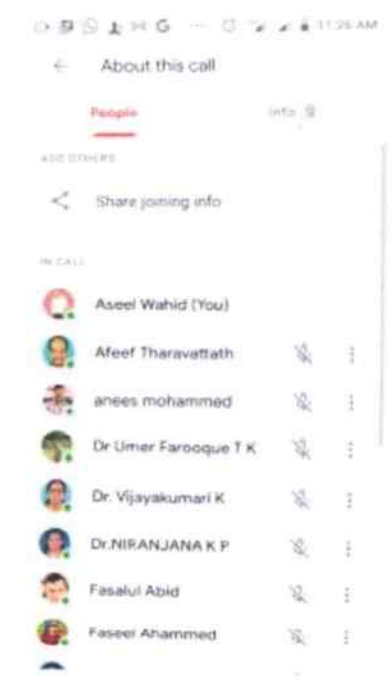

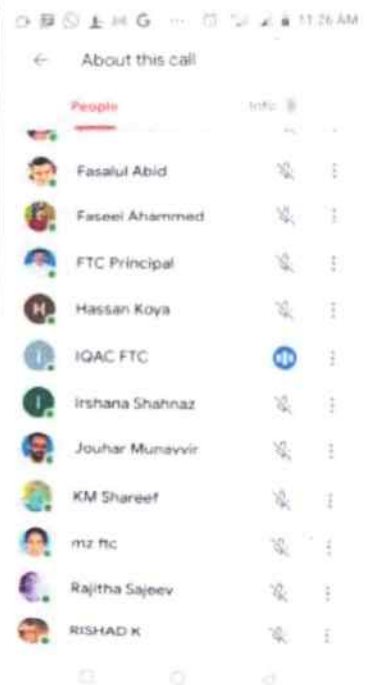

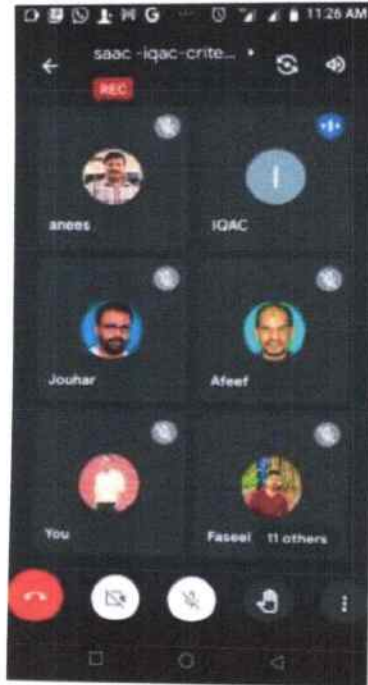

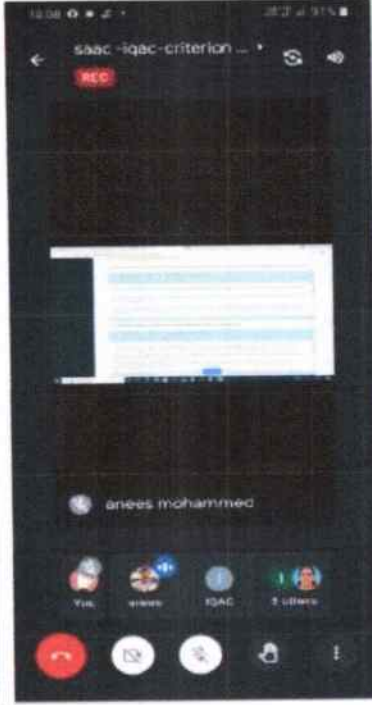

The IQAC has convened critical discussion meetings to analyse and refine the SAAC report. Every question of every single criterion was put to discussion through informal meetings of the IQAC coordinator with the criterion members. Such meetings helped to reflect upon thoughts and to stream line ideas that would help to work out a flawless reporting and to avoid possible overlaps among different criteria reports. Such meeting also helped the IQAC coordinator to explain to the criteria members what their peers are doing with other criteria components. After at least 20 such discussions (Two discussions with every component), and upon completion of the draft report making each of the 10 teams were to discuss their reports before the IQAC team. A structured and formal series of meeting ensued that helped to clarify the subtle points of every single question. Also such meetings served as brain storming sessions generating and enriching ideas that would benefit the entire procedure of report making. The following table provides a quick glance on the structured official meetings that were conducted after the draft report writing.

Criterion	Time	Members	Mode
Criterion 1	12 april 10 am to 12.15 pm	IQAC Members	Face to Face

National Seminar on New School Curriculum
26th October 2022

A National Seminar on 'Future Teacher Education' was held at Farook Training College on 26/10/2022 in connection with revision of school curriculum organised by DIET Kasaragod and SCERT. More than seventy participants including teachers, research scholars, M.Ed students took part in it.

The programme commenced with a silent prayer. Dr. M T Sasi, research officer SCERT Kerala delivered the welcome speech. He emphasised the humanitarian values to be instilled in students. The presidential address was by Dr. Jayaprakash R K, Director of SCERT, Kerala. He expressed the need of modifications in pre-service teacher education. Dr NK Jayaraj, Vice-chancellor, University of Calicut inaugurated the programme. The need to develop scientific temper was the main area of his talk. Dr. T. Mohamed Saleem, Principal of Farook Training College, during his felicitation mentioned that a significant step in the process towards the curriculum revision is to co-ordinate the faculty of elementary and secondary levels in contributing the best. The felicitation by Sri Premaraj, Principal, DIET, Kozhikode, reminded the challenges and complexities in the teaching profession as knowledge is being sold in knowledge societies.

The focus group discussion started with an introductory session by Dr. K. Abdul Gafoor, Prof. and Head of the Department of Education, University of Calicut. In his view integration of primary and secondary levels of education is the need of the

The Inter University Centre for Disability Studies (IUCDS), MG University, Kottayam, ISS College of Teacher Education, Perinthalmanna, and IQAC Farook Training College, Calicut jointly organized a one-week online short term certificate course on "Inclusive Education" from 20th to 26th February 2023. This course aimed to teach participants about inclusive education, curricular issues, and alternative means for assessment and evaluation.

The course was attended by a total of 315 members, including students and faculties from various colleges and universities. All the participants were provided with their username and password to access the course. Dr. Aseel Abdul Wahid, Assistant Professor Farook Training College, and Dr. Naseerali M.K, Assistant Professor, ISS College of Teacher Education were the course coordinators of the program. MR. Rasheed C.P and Mr. Sony Damodaran, Assistant Professors of ISS College of Teacher Education, were the organizing secretaries. Dr. Baburaj M.K, Director IUCDS, MG University Kottayam, Dr. T Mohammed Saleem, Principal Farook Training College and Mr. Samad Mankada, Principal ISS college of teacher education were the program convenors.

The course was a self-paced learning session via LMS, consisting of video sessions, reading materials, and graded assignments. It followed the four quadrant approach to MOOC courses, with 3+1 hours daily. The course delivery and resources were made available offline through the LMS (Moodle). The course scoring and grading were based on the activities organized in the course, such as assignments,

quizzes, and tests. The assessment and evaluation were conducted based on each module's assignment, practice works, and quizzes, along with an achievement test based on the entire module at the end of the course. The certification was based on the participation and grades obtained by the participants. Soft copies of certificates were issued to all eligible participants.

Overall, the one-week online short term certificate course on "Inclusive Education" was a successful program attended by a significant number of participants from various colleges and universities. It provided a platform for participants to learn about inclusive education and various strategies to address curricular issues and alternative means for assessment and evaluation. The organizers and coordinators have done an excellent job in structuring and delivering the course content and resources through the LMS platform. The issuance of soft copies of certificates added value to the course's participants, making it a useful experience.

Workshop on Research and Publication Ethics

Research and publication ethics are crucial components of academic and scientific integrity. As researchers and scholars, we have a responsibility to conduct research and publish our findings with the highest standards of ethical conduct. This includes ensuring that our research is conducted with integrity, honesty, and transparency, and that our publications accurately reflect our research findings.

In this workshop, we will explore various aspects of research and publication ethics, including the ethical principles that underlie them, the ethical challenges that researchers and scholars may face, and the best practices for ensuring that our research and publications meet ethical standards. We will also discuss the importance of understanding and following the ethical guidelines and regulations, as well as the consequences of failing to do so.

Whether you are a student researcher or academic, this workshop will provide you with valuable insights and practical tips for navigating the complex world of research and publication ethics. We look forward to exploring these topics with you and engaging in meaningful discussions that will enhance our understanding of these critical issues.

About Farook Training College

Farook Training College, established in 1961 by Bausarful Ulama Association, is the first teacher training college managed by Muslim Minority in the state to promote the cause of education in Malabar. To provide quality teacher education to all classes of people, to attract and encourage talented students towards teaching profession, especially from among financially and educationally backward Muslim minority students and the other marginalized sections of the society. The College was initially affiliated to the University of Kerala and later it was affiliated to University of Calicut in 1968.

All the courses offered are recognized by National Council for Teacher Education. The College has excellent infrastructure and premium faculty. The college is to make distinctive and significant contribution to the cause of teacher education and to promote research in various branches of teacher education. The college seeks to nurture the quest for excellence by ensuring and providing opportunities that are reachable and accessible to students from backgrounds of low disadvantage and thereby build their capacities through commitment to the profession and values of high stature.
