# Library

The screenshot shows a web-based library management system. The interface includes a dark sidebar on the left with various management tools. The main area displays a list of books, each represented by a card with a book cover image, title, author, and other metadata. The top of the page shows the user's profile and navigation options.

# Admission

The screenshot shows a web-based admission management system. The interface includes a dark sidebar on the left with various management tools. The main area displays a table of admission subjects. The table has columns for Roll No., Name, Date, Application Date, Status, Bank, Adm. Fee, and other details. The table contains several rows of data, each representing a student's admission record.
