Concept Note
Short-term Online Certificate Course on Inclusive Education

Jointly Organized By:

Inter University Centre for Disability Studies - Mahatma Gandhi University
&
ISS College of Teacher Education, Pettahumma

In Collaboration With:

Farook Training College, Kavrukude

Concept Note: Learn practical strategies towards an inclusive classrooms.

Inclusion is visualized as a universal human right. The aim of inclusion is to embrace all people irrespective of race, gender, disability, medical or other need, giving equal access and opportunities and getting rid of discrimination and intolerance (removal of barriers). It affects all aspects of public life. Inclusive design focuses on eliminating barriers that create undue effort and separation. It enables everyone to participate equally, confidently and independently in everyday activities.

On this course you will learn about inclusive education, understanding what barriers there are to learning and how to challenge them. Addressing the curricular issues through curricular adaptations, modifications and strategies for differentiating content in an inclusive classroom. It will also focus on alternative means for assessment and evaluation in an inclusive classroom. Aim is to create a classroom that believes in learning for all children.

Topics

- Inclusion in our society - Need and Impact
- Models of Inclusion building a strong ecosystem.
- Barriers to Inclusion and Community support for students, schools and families
