Report

Employee Welfare Programme on Financial Management and Banking Services 25th January 2023

Welfare of the employees is always a matter of top priority for Farook Training College. The Institution has put many steps towards the welfare of its employees. Financial management and budgeting was always a hurdle as far as an employee is concerned in the context of increased living cost and delayed or no disposal of financial privileges from the government. The Institution considers, building a strong mental, physical and economic environment is essential for enhancing the potential of its employees.
