## Waste Management Practices of College

The institution has waste management practices which include the following

- Segregation of wastes
- E- Waste Management
- Vermi Compost

- 
- Notice is given to all members of the college to segregate wastes properly.
  - For implementing the practices there is a waste management cell which will convene frequently and give direction as and when required.
  - Waste management practices are monitored through an environment audit by the concerned agency.
  - For the proper waste disposal certain guidelines are provided to all members.
  - A duty chart is prepared and directions are given to students regularly.

# Segregation of Waste – Notice

## FAROOK TRAINING COLLEGE

FAROOK COLLEGE (PO), KOZHICODI - 673632

### NOTICE

As you know the college has been declared as plastic waste free campus very earlier itself. It has been informed that you are responsible to keep the campus clean and follow the given practices.

1. As part of the waste management policy, segregate the wastes by putting it in the respective baskets Green for food wastes, Blue for plastic wastes, and yellow for paper wastes.

2. E-wastes should be put in the red baskets provided in the classroom. Expecting your wholehearted co-operation to keep the campus clean

## NOTICE

Date: 21/10/21

Dear Students and Staff,

In our commitment to creating a sustainable and eco-friendly campus environment, Farook Training College urges all students and staff to actively participate in minimizing plastic waste on campus. It is believed that small individual efforts can collectively make a significant impact.

To contribute to this initiative, it is kindly requested to adhere to the following guidelines:

**Display Boards for Programs:** Avoid the use of single-use paper and plastic materials for program displays. Opt for reusable and sustainable alternatives. The college encourages the use of display boards that can be used repeatedly for various events.

**Reusable Glasses and Plates:** In an effort to reduce disposable plastic waste, please make use of reusable glasses and plates during events, seminars, and gatherings. This simple switch can significantly reduce our environmental footprint.

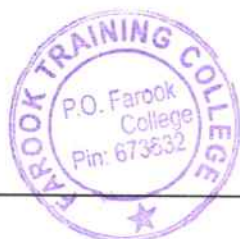

**Proper Waste Disposal:** Dispose of waste responsibly by using the designated waste baskets for plastic and other recyclables. Ensure that you segregate waste correctly to facilitate recycling efforts.

Your cooperation is essential in fostering a green and sustainable campus for future generations.

## Farook Training College

### Waste Management Practices

**Segregation of waste:** The College has strategically placed waste bins on each floor, color-coded for efficient waste segregation. Official communications emphasize the importance of using these bins, fostering environmental consciousness and community responsibility

*Z.M.*  
Principal  
Farook Training College  
P.O. Farook College, (Calicut)

**E-waste management:** Farook Training College has implemented effective strategies for the management of e-waste. Out-dated digital equipment, such as OHP, is preserved in the technology hub as antiques. Devices that are still functional but out-dated are generously donated to feeding schools. Additionally, in a move to reduce paper waste, the college has introduced F-eSIM, an office software aimed at promoting eco-friendly approach to administrative tasks

**Vermi-compost:** The municipality's donation of vermicompost has significantly contributed to effective waste management on campus
