- To lounge Students Initiative Palliative Care unit at Farook Training College

Report

Student Initiative in Palliative Care (SIPC)

25th January 2020

FTCIA takes a leap forward to declare a Students Initiative in Palliative Project on Jan 25, 2020. Dr. Aseel Abdul Wahid (Staff Coordinator, SIP) welcomed the gathering. Principal Dr. C. A Jawahar gave the Presidential Address followed by the Theme Presentation by KM Ismail (Student Coordinator, SIP). Project was launched by CP Kunhi Mohammed(Manager, Farook College). Dr. P. Abdul Gafoor (President, Pain and Palliative Care, Farook College) and Dr. Manoj Praveen G (Staff Secretary, FTC) gave the felicitations, followed by the vote of thanks by Rohith (Secretary, College Union)

The main objective of SIP is to those under the tight grip of deadly disease, struggling with pain and living in a dark room is extended a helping hand and brought out into the light and the bedridden are supported and sheltered and the tears and troubles of the people, the one who are suffering, in pain and those in hunger will be assisted by the members of the FTC Students Initiative in Palliative Care Unit to relieve their troubles.

Around Farook College where the medical treatment is failing and messy, most people have shut their eyes, ears, and mind, but the Student Initiative in Palliative Care is more active. Helpless Doctor, when he says that there is nothing more to do and to take the patient home, the Farook Training College Student Initiative in Palliative Care will appear before the patient and his family as the angels of compassion. It is not confined here, but as the inevitability of the time it extended and evolved. The caregiver system has extended from the caring till death to the life-saving psychiatric care.

Above all, the country, the city, the hut and the palace have realised that this system is capable of eliciting a smile of relief on the lips of the sick and relatives of the patients. Our little touch, a word of love, a tender glance will provide hope and happiness for some. Let's move forward together with Farook Training College Student Initiative in Palliative Care.

PAIN & PALLIATIVE CARE SOCIETY
P.O. FAROOK COLLEGE - 673 632, CALICUT, KERALA
