

## **7.2 Best Practices (2020-21)**

### **7.2.1. PTEP (Professional Teacher Empowerment Programme)**

**Goal:** To prepare all our students to qualify various teacher qualifying exams through specialized training modules and to contribute quality teachers in to the society.

#### **Context**

Students join B.Ed programmes primarily to become teachers. Along with professional degree programmes such as B.Ed and M.Ed qualifying teacher eligibility test is essential to serve as approved teachers. For those students who want to serve as teacher qualifying teacher eligibility test is the first ladder they have to climb after completion of their B.Ed course. The college has been working with the motto that students who come to study will go out being fully equipped for community service. To add this, the percentage of results in such examination in recent years is very low. Hence it is high time to have plan of actions to prepare for teacher eligibility test along with BEd programmes. PTEP is a project started in 2015 with the aim that all students who complete B.Ed. Programme from our college should qualify various Teacher qualifying exams such as SET, NET and KTET. The initial goal of the project was to prepare all our students to qualify for such exams by providing specialized training for qualifying exams such as NET, SET and KTET. Later, as part of the project, we were able to organize training programs under the supervision of our expert faculty for other candidates who are now preparing for other teacher competition exams.

#### **The practice**

The unique methodology of the project is remarkable as it include continuous and systematic module which help the students to sustain the motivation to qualify these exams. When the notification for such examination has been issued by the concerned authority the students will be given a general orientation on the importance of the exam and application procedure. Help desks will be open for the students till the last date of application and due attention shall be paid that all of the eligible students have applied for the exam. Financial assistance will be given for deserving students. Training session starts when the exam date comes out and continues till one week prior to the examination. The module includes

a general orientation by an external expert faculty and syllabus based classes by the selected faculty. The faculties will be selected to give syllabus based classes and each area of syllabus will be covered systematically. Our specifically designed methodology involves distribution of materials in advance of each session and students will attend the session after reading those simple but comprehensive notes. In order sustain their motivation and keep them alive regular supervision of their study through frequent consultation and periodic assessment by our project team will be made. As a conclusion of the training session a consolidation lecture will be arranged by any expert faculty. The specially curated study plan by the project saves study time for students and help students focus on studies in the stipulated time period.

The unique methodology of the project has three phases viz. **Pre-Coaching Phase** which includes general orientation after the notification, help desk for application and financial assistance for deserving students, **The Coaching Phase** - syllabus based classes by the selected faculty and **Post Coaching Phase** which includes consolidation and mock tests. Our specifically designed methodology involves distribution of materials in advance of each session and students will attend the session after reading those simple but comprehensive notes. Regular supervision through frequent consultation and periodic assessment will also be made to keep students alive till the examination.

### **Impact of the programmes**

After the introduction of this project we could achieve outstanding results in the competitive exams that all of our students should qualify any of teacher eligibility tests before leaving the college. The results of our students in the various competitive examinations for the last five years is given below

<b>Year</b>	<b>NET</b>	<b>SET</b>	<b>KTET</b>	<b>CTET</b>
<b>2015-16</b>	<b>6(16)</b>	<b>13(21)</b>	<b>36(42)</b>	<b>7(11)</b>
<b>2016-17</b>	<b>16(29)</b>	<b>29( 41)</b>	<b>82(91)</b>	<b>11(19)</b>
<b>2017-18</b>	<b>20(36)</b>	<b>33(46)</b>	<b>86(93)</b>	<b>14(21)</b>

<b>2018-19</b>	<b>29(45)</b>	<b>39(54)</b>	<b>89 (96)</b>	<b>21(30)</b>
<b>2019-20</b>	<b>19( 30)</b>	<b>29(41)</b>	<b>86(97)</b>	
<b>2020_21</b>	<b>31(56)</b>	<b>39(51)</b>	<b>82(92)</b>	

### **Obstacles faced and resources required**

One of the major obstacles to the proper conduct of the programme is the paucity of time. B.Ed programme being a roller-coaster ride, gives little time for activities of this kind. It was resolved to find time outside the class hours, if necessary, for the conduct of the sessions. The major obstacle to execute the programme was the finance as it was very challenging to raise fund for the project. Hence, it was decided to collect a nominal registration fee from outside candidates. Raising additional human and material resources remain was another challenge. Care was taken to utilize the expertise of our faculty members voluntarily.

### **7.2.2: Finishing School**

#### **Title of the Practice: Finishing School**

**Goal:** To empower and equip student teachers with essential skills to meet with the demands of emerging student community and to level up students' confidence and self-esteem so that they are able to face unusual and difficult situations with ease during their future career.

**The Context:** Teacher education curriculum is unique in nature compared to other academic programmes offered in arts and science colleges. Teacher education is a programme that is related to the development of teacher proficiency and competence that would enable and empower the teacher to meet the requirements of the profession and face the challenges therein. In order to prepare teachers who are competent to face the challenges of the dynamic society, Teacher education has to keep abreast of recent developments and trends. In order to prepare quality teachers equipped with necessary skills to meet the demand of latest changes in the field of school education there is an increased need for a skill based exclusive programme. This necessitated additional efforts to enhance the skills of student teachers. This is an attempt to equip our students with essential skills to meet with the demands of emerging student community and to keep abreast of recent developments and trends

## **The major outcomes**

- **Personality enrichment**-to develop a balanced personality well equipped to adjust with demand of different social situation
- **Leadership skills**- to develop leadership qualities which enable each learner to initiate, and organize different programmes and manage a heterogeneous group
- **Communication**- to develop effective communication skills in both mother tongue and English
- **Interpersonal skills and life skills**-to build practical knowledge to lead an effective social life
- **ICT skills**- to equip for the effective use of 21 century tool for efficient transaction of the school curriculum

**The practice:** Finishing School is the concept that reaches its horizon beyond 4E's-Education, Employment, Entrepreneurship, Empowerment. The project, launched in 2016, works on an agenda towards empowering the inner potential of our student teachers for equipping them with essential skills to meet with the demands of emerging student community. It has a unique training methodology that incorporates learning, skills and self-development with a curriculum that is entertaining, stimulating and rewarding. We utilize the expertise of our teachers, content, infrastructure, systems and digital technology aids that enhance better learning outcomes, outstanding personal development and effective social skills among our student teachers developed in over five decades of experience in the field of teacher education. It finely blends into modern and futuristic professional set up and demand. As the entire educational system was online during Covid 19 lockdown, efforts were taken to arrange online training classes. Gurudarsan, Our YouTube channel and Guruvani, Our radio were utilized to initiate skills development programme

## **Methodology**

The programme was designed to give special training on the following twenty first century skills

1. LIFE SKILLS TRAINING ( 25 hours)
2. SOFT SKILLS(25 hours)
3. COMPUTER TECHNOLOGY IN EDUCATION (25 hours)
4. EFFECTIVE COMMUNICATION( 25 hours)

As Covid 19 pandemic spread over the world and educational institutions shut their door no offline practical sessions could be organized. Raising to the occasion our project team planned and initiated a Web Talk Series by eminent speakers on different topics. Gurudarsan has also launched GSLIP as a skill development project where students are supposed to prepare video classes for public. Guruvani was made available to enhance students creativity during lockdown students were assigned task of organizing creative programme each day. That helped the students to improve their communication

skill as each student got the chance to present a programme. Care was also taken to organize competitions occasionally.

### **Impact of the practice**

The programme helped our students to stay live and dynamic during Covid 19 lockdown and they were equipped with new digital skills like poster making, video making, sound mixing etc.

### **Obstacles faced and resources required**

No offline practical session could be arranged due to Covid 19 outbreaks. Efforts were taken to use online platform effectively with Web Talk Series, Gurudarsan and Guruvani.

## **Detailed Project Report**

### **1. Professional Teacher Empowerment Project**

Professional Teacher Empowerment Project was initially designed to help our students to qualify various competitive examinations such as SET, K-TET, NET and C\_TET before completing BEd and MEd courses. Thus, intensive training programme has been arranged for our students from 2015 onward. Under this scheme our students were able to achieve unparalleled result in various competitive examinations. Later, in the light of Covid pandemic, attempts were made to arrange online training programmes and the project was extended to the public. Special online training programme was also arranged for those candidates appearing for LPSA and UPSA examinations.

The faculty classes arranged online are made available to the public via online.

The project team includes

Dr Mohamed Saleem ( Principal): Project head

Mr Nowfal C ( Assistant Professor): Director

**Associate Directors**

Dr Manoj Praveen G ( Associate Professor )

Dr Hassan Koya MP ( Associate Professor)

Dr Anees Muhammed C ( Assistant Professor)

Mrs Irshana Shahnaz Ulladan ( Assistant Professor)

Mr Faseel Ahmed ( Assistant Director)

Mr Fasalul Abid CM ( Assistant Professor)

The details of the session arranged under the project are given below

**Dr Muhammed KV ( Assistant Professor, school of pedagogical Sciences, MG University) &  
Dr P P Noushad ( Head and Associate Professor, School of Gandian though and  
Developmental Studies, MG University gives orientation)**

**Details of session conducted**

Year	Programme	Mode	Results	Participants
2016	Training for K_TET	Offline	86%	Our students
2017	KTET , NET and SET	Offline	(90 % for KTET, 70 % for SET and 55% for NET)	Our students and Alumni
2018-19	KTET, NET and SET	Offline	92% for KTET, &72% for SET 64% for NET	Our students and alumni

2019-20	KTET, NET and SET	Offline	(88 % for KTET, 70 % for SET and 63% for NET)	Our students and alumni
2020-21	KTET, NET and SET	Online	89% for K-TET, &6 for SET 55% for NET)	Our students, alumni and Public
2020-21	LPSA and UPSA			Public

The effectiveness of the project is evident from the result of the students in various competitive examinations after 2015 shown below

**PTEP- result of our BEd students in competitive examinations form 2015**

<b>Year</b>	<b>NET</b>	<b>SET</b>	<b>KTET</b>	<b>CTET</b>
<b>2015-16</b>	<b>6(16)</b>	<b>13(21)</b>	<b>36(42)</b>	<b>7(11)</b>
<b>2016-17</b>	<b>16(29)</b>	<b>29( 41)</b>	<b>82(91)</b>	<b>11(19)</b>
<b>2017-18</b>	<b>20(36)</b>	<b>33(46)</b>	<b>86(93)</b>	<b>14(21)</b>
<b>2018-19</b>	<b>29(45)</b>	<b>39(54)</b>	<b>89 (96)</b>	<b>21(30)</b>
<b>2019-20</b>	<b>19( 30)</b>	<b>29(41)</b>	<b>86(97)</b>	
<b>2020_21</b>	<b>31(56)</b>	<b>39(51)</b>	<b>82(92)</b>	

## Honouring the winners

It is also part of the project to honour the achievers in befitting manner once the result is published.

This should help them as well as their juniors to get motivated and to try their level best for further achievements.

List of achievers

Care has been taken to keep the list of winners of various competitive examinations among our students and the list is frequently updated when the result is out. A sample is given below

The detailed list of achievers from our students in different batches is available in the following link.

<https://farooktrainingcollege.ac.in/wp-content/uploads/2022/07/PTET-STUDENTS-ACHIEVEMENTS-3.pdf>

### **Online classes**

The online classes of the faculty are also made available to the public via our YouTube channels Guru Darsan.

## Report

### **Five Days Online Orientation for NET Aspirants**

5<sup>th</sup> - 11<sup>th</sup> September 2020

Each One Teach One project is being launched as part of the FTCLIA to prepare students for various competitive examinations, to encourage each other, to create collaborative learning environment, to provide specialized training in teacher qualification examinations such as NET, SET and TET under the guidance of expert faculties, and to equip children for government employment along with education. Its first activity is happily started with a 7-day training program for UGC NET aspirants. As part of the Each One Teach One NET General Paper Free 7 days Online Coaching Programme being conducted by Farook Training College, Calicut commenced on 5<sup>th</sup> September 2020.

Jb. Muhammed Younus, Secretary of Farook Training College Management Committee gave the inaugural address followed by the Presidential talk by Principal Dr. T. Mohammed Saleem. The college YouTube channel Gurudarsan live telecasted the Inaugural cum General Orientation Session. The Class was handled by Dr. P.P.Noushad, Associate Professor, MG University which was an inspiring and eye opening for all NET aspirants. Mr. Noufal C, Director of the Finishing School and Mrs. Irshana Shahnaz, Associate director of Finishing School presented the note of welcome and thanks respectively.

### Report

#### Post Covid New World....A Rethinking- 3<sup>rd</sup> Web Talk Series 21<sup>st</sup> August 2020

The third lecture in web talk series organized by Farook Training College Liberte Student Union in collaboration with OCLP was delivered on Friday 21 /08 2020 at 10 a.m. via Google meet with live streaming through YouTube Channel. Sunil P. Ilayidam

,a prominent thinker, writer and college teacher who is actively involved in the public sphere of Kerala through his eloquent discourse and writing in a distinctive style, spoke on the topic Kovidukala Punervi hinthanangal\_ Samskaaram. Through his very simple but Comprehensive and beautiful discourse on the extent to which the epidemic of Covid has changed the cultural, political and social sphere of our lives, Sir shared the possibilities o our future life in the new post Covid world order. In his speech, he clearly mentioned the new cultural realm in which many of the things we have seen that are so important become irrelevant.

College Principal Dr. Mohammad Saleem gave an introductory speech at the function which was presided over by Staff Advisor Mr Nowfal C. Union Chairperson Sreehari welcomed and Vice Chairperson Sayooja proposed vote of thanks

## Report

### National Education Policy 2020

22<sup>nd</sup> September 2020

The fourth lecture in web talk series organized by Farook Training College Liberte Student Union in collaboration with OCLP was delivered on Friday, 22<sup>nd</sup> September 2020 at 2.30 pm. via Google meet with live streaming through YouTube

Channel. Prof. Dr K N Gireesh, a prominent thinker, writer, historian and retired Professor who is actively involved in the public sphere of Kerala through his eloquent discourse and writing in a distinctive style, spoke on the topic National Education Policy. In his beautiful discourse, K.N Ganesh was able to accurately present both sides by examining the possibilities of the ideas put forward by the new education policy and sharing the concerns and challenges and critically evaluating the impact that many of the proposals of the new education policy are going to have on the current educational situation.

College Principal Dr. T Mohammad Saleem gave an introductory speech at the function which was presided over by Staff Advisor Mr. Nowfal C, UUC Mr. Sadhiq welcomed and Ms. Shafeena proposed vote of thanks
